Capgemini Campus interview

Hello friends, I am Swadeep Mohanty from Bhubaneswar.
I would like to share my experience in Capgemini campus drive which was held in ITER, Bhubaneswar.

1st round: Written test (Aptitude, Reasoning, English)

2nd round: GD (my topic was " Social media in society")

3rd round: Personal Interview(Technical + HR)

HR: Swadeep tell me about yourself?
Me: I am Swadeep Mohanty from Khurda. I did my schooling and intermediate studies...

HR: What is your strength?
Me: I am very optimistic. My good management skill and friendly attitude makes me a good team man.

HR: Give me an example of your management skill?
Me: I have managed my team members of my project group in a very a lucid way so that we've reached our goal in perfect time although we had no previous experience of project...

HR: Then, explain your project with DFD.
Me : I have explained.

HR: Have you any question for me?
Me: Sir, if I come up with a new idea new innovation would company give me a chance to make it real?

HR: Of course, if we feel its really a good idea we will definitely consider you.

Interview continued for 25 minutes.

Total students appeared: 3060
Total selected students in Capgemini: 75

I have also got selected. I hope my experience adds some value on your preparation for Capgemini campus drive.

My advice to my friends" Work hard God will definitely listen you."
All the best for your bright future.
