

Genpact placement papers

Genpact campus recruitment procedure in College of Engineering JNPT -MNC

Genpact interview pattern was

HR Introductions

HR asked some questions just where are you, your college, qualifications, your aim, your goals, why you are interested in Genpact . Then he asked to write Genpact written test examination

Genpact Written test-60 questions 60 minutes

In his section questions of Quantitative aptitude, Reasoning and General English Reasoning and aptitude was basic questions English was little bit difficult. After clearing aptitude test the next round Telephonic and technical interview round

Genpact Telephonic and technical interview round

In this telephonic interview, a madam had interviewed us in telephone by asking about ourselves. After that she asked some questions on that what we said.

Only 4 from our college and 5 from our college had been selected as per my estimation, they finally said you all been qualified and the offer will be issued tomorrow. That how it was ended.

These are all Genpact interview procedure Iam waiting results
