INTERNATIONAL

6.3-magnitude quake jolts Indonesia. The meteorology and geophysics agency did not issue a tsunami warning, as the quake did not potentially trigger giant waves, reports Xinhua news agency.

BUSINESS

No LPG cylinder will be delivered at your home if you don't do this from today. All LPG customers across the country will now need to furnish a one-time password (OTP) in order to get the home delivery of gas cylinders. Oil companies have implemented a Delivery Authentication Code (DAC) for the customers who need gas cylinders at their homes.
