

Ernst & Young Interview Experience

Tax Analyst Interview Experience

I applied through an employee referral interviewed at EY (Bangalore (India)) in April 2015. There were 5 rounds :

- 1) In this round we were given 4 topics like, ur school life, common man problems in india, mobile use in today's world, another one i dont remember
- 2) Second round was e mail writing and aptitude, which consist 60 questions 60mins. mostly about journals then rest all common questions which comes in all apti test.
- 3) In this round they won't eliminate, they just ask 2,3 questions like, introduce urself, why ey, why u left ur previous job
- 4) Technical round which lasted about half n hour and questions were, depreciation? Is gold depreciated? tax on agriculture income, tax slabs, probability, and one sum was also given to solve
- 5) After the 4th round they asked for my previous company offer letter and 3 months pay slip , now m waiting for mail of next process.

Interview Questions

- * Depreciation?Â
- * Is gold depreciated?
- * Tax on agriculture income
- * Tax slabs
- * Probability, and one sum was also given to solve
