

IBM new and latest off and on campus recruitment placement papers, selection procedure written test questions based on candidates experiences 2014-2015 batch

IBM new placement papers and selection procedure for 2014-2015 batch. IBM visited our campus. IBM selection criteria 70% in minimum in Btech IBM recruitment process starts around 10,20am. Around 450 candidates participated for IBM campus recruitment Here I described a brief description about IBM 2014-2015 batch placement procedure and some memorable questions in IBM placement papers

IBM selection procedure

IBM Preplacement Talk : Brief description about IBM

IBM written test : 1 hour procedure IBM written test consists aptitude, verbal ability, reasoning computer fundamentals and technical questions In aptitude and reasoning Number series questions is important. Practice more number series questions Verbal ability as normal questions like prepositions articles etc.,

115, 100, 86, 74, 65, 60, ?

1370, 1320, 1070, -180, ?

49, 7, 98, 16, 4, 48, 9, 3, 36, 25, 5, ?

If a car starts from A towards B with some velocity. Due to some problem in the engine after travelling 30km, the car goes with $\frac{4}{5}$ th of its actual velocity. The car reaches B 45 min later to the actual time. If the car engine fails after traveling 45km, the car reaches the destination B 36 min late to the actual time. What is the initial velocity of car & what is the distance between A & B in km

In 1978, a kg of paper was sold at Rs25/-. If the paper rate increases at 1.5% more than the inflation rate which is 6.5% a year, then what will be the cost of a kg of paper after 2 years?

IBM computer questions based on C, Unix, file permissions etc.,

On the whole IBM aptitude and written test was easy.

Total around 300 students are able to crack this section. Out of all those 120 students are interviewed on the same day when the test is conducted.

The interview for remaining students is on the next day. I m on the first day list.

I need not wait so much time for my interviews. Interviews started at 3:45 PM

IBM Technical and HR Interview:

Tell me about yourself.

What do you know about IBM?

Why do you want to join IBM?

Questions about Projects

Questions based on you resume

What are your career aspirations?

You are given a work of 10 days and you, being fast completed the work in just 6 days, what will you do in the remaining time?

What will you do if you are not selected?

What is molecular manufacturing? (That is the topic of my paper.)

Do you watch movies?

My interview is completed so early at nearly 4:30 PM, but we had to wait till 8 '0 clock as other person s interviews were completed. Finally I was selected.

All the time in the interview, I m very confident. He tried to put me under stress by saying that I m not fit for their company and asking me to go for other fields.
